

ARAB LOSS ADJUSTERS INT'L. L.L.C
THE TECHNICAL & LOSS ADJUSTING SERVICES CO.

Celebrating 30 Years of Dedication to the Insurance Industry

Firm Overview

Arab Loss Adjusters LLC was founded in 1981 by an insurance professional to bridge the gap between the market needs for loss adjusters who understand the business environment of the region and the International dimension of the industry. ALA was established by a passionate, dedicated and ambitious insurance professional Walid Jishi-Chairman and Managing Director of ALA, who through hard work and sheer perseverance has steered ALA from a single office to 9 branches across the Middle East, with over 56 Employees contributing to the prosperity and development of ALA. With 30 years of diligent efforts and dedication, ALA has become a major provider of claims handling services, employing a team of qualified professionals in the field of Insurance, Finance, Engineering and Law that have sustained a longstanding presence of unprecedented performance throughout the Middle East.

ALA provides full coverage of the Middle East utilizing the support of strategically located branch offices in the region and associate offices at major business centers across the world.

Our Philosophy

ALA's values of integrity, independence, dedication, people and social responsibility are deeply engrained and reflected in the work done by its highly creative and resourceful team of employees. Its expert adjusters are qualified in various backgrounds such as engineering, law and accountancy, which are all vital in adding to their understanding, experience and expertise in this field.

ALA aspires to be a leading service provider in the area of Property and Liability claims adjusting, Survey and Appraisal, Risk Assessment and Risk Management. We aim to deliver our services to cater to the needs of the Insurance Industry World Wide, with a high level of professionalism and integrity.

We endeavor to be principle centered, adopting a proactive work style focused on serving the Insurance industry and the insuring public.

Our practice is aligned towards increasing knowledge, contribution and satisfactory performance. We strive to motivate our team, monitor our cost effectiveness, continuously improve responsiveness to clients, sustain our technical excellence and a conscious response to change.

“Pleasure in the job puts perfection in the work” *Aristotle*

ALA takes great pride in its employees. Human development is a major contributing factor within ALA’s structural growth and our work is not merely about getting the job done, but also shaping a lifestyle and environment that contributes to each person’s diverse nature and skills and ultimately contributes to the delivery of its services to the best of their abilities and expertise. All claims, big or small, are handled with great care and importance.
